

## Cecilia Nabalayo Barasa

*Software development student*

My interest in programming is to be able to learn and gain skills to innovate and create eco-friendly solutions to community problems.

## About Me

Experience

1. 2018 : **Mater Hospital** - Data Entry

Education

1. 2017-2018 : **Africa Nazarene University** - Information Technology
2. 2016-2017 : **Africa Nazarene University** - Business Management
3. 2012-2015 : **Loreto Convent Valley Road** - Kenya Certificate of Secondary Education

1.

[Birth Certificate Registration.](#)

Getting a Kenyan Birth Certificate can be tiresome and time consuming. This project makes it easier with the registration of your details online and authorization by the Government of Kenya by the use PHP and HTML

2.

Aacelens Photography.

Because every picture tells a story, I'd ove to do the same with the world.  
The project is built by CSS and HTML

obbies

- Programming
- Music
- Photography
- Gaming
- Drawing
